

## Colorectal Cancer Study Day

(Course code: LD5012)

**Date:** Wednesday 6 November 2019  
**Time:** 9:00am – 4:00pm  
**Venue:** The Source, 300 Meadowhall Way, Sheffield, S9 1EA

### **This day is aimed at:**

All healthcare professionals who are involved in providing care to patients with colorectal cancer in the acute hospital, community, care home and hospice setting.

This day will provide in depth knowledge of the colorectal cancer patients journey.

Topics that will be covered are:

- An introduction to colorectal cancer
- Role of the Colorectal Nurse Specialist
- Bowel cancer screening programme
- Genetics and Colorectal cancer
- Chemotherapy and radiotherapy treatments and side effects
- Late effects of surgical intervention
- Anal cancer and treatment
- Patient experience

### **Lunch and refreshments will be provided**

**Free Parking:** If you are parking at Meadowhall, you must complete a registration form at the reception desk in The Source. Delegates must register their car details using this form in order to receive a parking pass that must then be displayed in their cars. Please leave enough time to do this.

**Facilitator:** Louise Foster, Colorectal Nurse Specialist
